

**TEMPORARY SUMMER LABORER  
FAIRBANKS, AK**

COLLEGE UTILITIES CORPORATION

**This recruitment is only open to individuals who have previously been employed at College Utilities Corporation as a temporary laborer.**

The primary responsibility of this position is to work as a laborer on construction projects. Work will be split between general labor and maintenance to vehicles, grounds, and facilities.

This position will follow directions of CUC employees, work in an efficient, safe manner, load and unload pipe from a trailer, and perform tasks involving strenuous manual labor such as, shoveling, raking, mowing/weed eating and lifting. Some knowledge of proper use of equipment, materials and supplies used in construction work is necessary. Other responsibilities include the ability to work independently, ability to lift heavy objects, and work for long periods of time performing strenuous labor in unfavorable weather conditions. This position is under the direct supervision of the CUC Superintendent.

Minimum qualifications:

- Previous employment at College Utilities Corporation as a temporary laborer.
- Clean driving record
- Willingness to obtain Class B CDL
- Willing to work up to 60 hours/week
- Successfully pass pre-employment drug test and background check screening

Preferred qualifications:

- Possession of either a Class B CDL Permit or Class B CDL License
- Prior experience working with a utility
- Prior experience with grounds maintenance

Applicant must be able to work independently, be dependable, flexible, have a positive attitude and able to work well in a fast paced, high-energy environment. Pay DOE.
