

**Safety Manager
FAIRBANKS, AK**

UTLITY SERVICES OF ALASKA, INC
Providing administrative support to CUC and GHU

The primary responsibility of this position is to administer safety programs, as outlined in Company Safety Policies, and to ensure compliance with all Company, local, state and federal regulations for all employees and facilities.

Minimum qualifications:

- Works with all staff to ensure safe working conditions and interact with team members and management to continually reinforce safe work practices, pointing out pertinent issues and encouraging positive behavior. Promotes good safety culture.
- Ensures all safety plans and programs are implemented, reviewed and updated according to changes in regulations or process/policy/equipment.
- Maintain and monitor training profiles on all employees including all OSHA mandates and position requirements including refresher training.
- Plan and oversee the inspection of equipment and facilities with 3rd party contractors.
- Ensures compliance with applicable OSHA, EPA, NIOSH, Department of Health and Social Services standards.
- Developed public relations skills. Capable of communicating effectively in writing and verbally.
- Bachelor degree in Safety or related field, or the equivalent in related work experience demonstrating the ability to manage compliance and safety programs, as well as incident investigations.
- Certified Safety Professional and OSHA 30-hour course (preferred).
- Must possess a valid State of Alaska Driver's License.

Exposed to normal office environment. The work involves some walking and occasional lifting to approximate a 40-pound box. Position requires a minimum of 40 hours per week (normal office hours are 8:00 a.m. to 5:00 p.m., Monday-Friday) with hours in excess of 40 per week as needed. Travel may be required. Pay DOE/excellent benefit package includes 401(k), health insurance, vacation and holidays.
